

“IF I OFFERED TO HELP YOU COVER YOUR BUSINESS ASSETS, DOUBLE YOUR TRAFFIC, CALLS & REVENUE *IN ONE MONTH* – GUARANTEED – WOULD YOU TAKE ME UP ON THE OFFER?”

Attention business owners, are you struggling to get more clients? Or maybe you are getting clients but deep down you know you could be getting a lot more? COVID has shut down way too many businesses and I want to help you double your calls and appts and attract your ideal clientele. If you don't change your ways you will get wiped out. However, if you want to change your ways and join the winning side of business owners in this new marketplace...

I got sued for 1 million dollars. Luckily, I beat it in Court. But it taught me a lesson ...

If you are worried about your business future and your family's future or covering your assets? I know exactly how you feel. I felt the same way -because this happened to me. I got sued for 1-million dollars – I was in a small fender-bender; I was driving a nice Mercedes (rental) and the person who side swiped me – tried to sue me for 1 million dollars. Luckily, I took pictures of him chatting on his cell phone and generally looking fine – so his doctor bills and lawsuit looked ridiculous. So, I started to look into how to cover my own assets. I am not a lawyer, and you should always consult your own lawyer for advice. But I can show you what some very smart individuals do to cover their business.

What it does contain is a short video on how I regularly get my Local Business clients on average 100-400 additional calls/appts per month. Over the last year I have kept over 50 Doctors and clients in the top 3 of search results. And I guarantee that I can at least double the traffic to your website, within one month or I'll give you a refund – no questions asked.

As millions of job seekers remain unemployed for years, as homeowners and college students alike stagger under heavy debts, and as America, in general, continues to struggle to recover from COVID, more and more people believe they may win the lottery or just sue people to get rich. Is the system rigged to perpetuate wealth and favor the predatory or corrupt over the hard-working individual? They target the hard-working businesses like yours – while they do not work at all. COVID HAS SHUT DOWN WAY TOO MANY BUSINESSES ...
